State of the Society

24

Mission Statement

Promote the health of women by acquiring greater understanding of gynecologic diseases, improving the accuracy of pathologic diagnosis, and disseminating this knowledge throughout the world

25

Successes

- Successful educational offerings
 - ISGyP Sponsored In Person Events Internationally (USCAP annual meeting and Interactive Microscopy Center, ASCP, IGCS, IAP)
 - ISGyP Virtual Educational Offerings (Annual Meeting, Annual ISGyP Courses in Spanish and Chinese)
 - ISGyP Live
- Expanding membership

26

Strategic Planning

- FIGO
- IGCS
- Editor in Chief Transition

27

How Can Society Better Serve Membership – How Can Members Become More Involved in Society

28

Improved Transparency and Communication on How to Become Involved

- Job descriptions and requirements for positions related to ISGyP Live available for members who are considering applying
- Clear communication on how to become involved

29

ISGyP is a society with a diverse membership and it is important that we ensure geographical, institutional and gender diversity in positions throughout the society including the Board and ISGyP Live
