Dear Dr. **Bhatta**,

Thank you for being a member of the International Society of Gynecological Pathologists, which connects you with a world-wide community of pathologists with a common interest in the study and care of women with diseases of the female reproductive system. I write to you to ask you to renew your dues for 2025 as soon as possible (instructions for online dues payment are to the below).

In addition to your subscription to the International Journal of Gynecological Pathology and your included membership in the International Gynecological Cancer Society, members get discounted pricing to the International Journal of Gynecological Cancer online subscription of \$15. I would like to remind you of the members-only educational website isgyp.org and new series of live virtual educational sessions (ISGyP LIVE Programming), all part of ISGyP's mission to continually improve and expand educational opportunities for all members globally.
